MARYLAND HIGHER EDUCATION COMMISSION FALL ENROLLMENT TRENDS BY RACE AND GENDER SEGMENT REPORT 2013 - 2021

Data represent student enrollment in Fall terms only. Figures include full-time and part-time undergraduate and graduate enrollment at Maryland community colleges, four-year public colleges and universities, and state-aided independent institutions.

Data include all degree- and non-degree-seeking students enrolled in credit courses.

This report defines undergraduate and graduate students by cumulative credit earned as of term freeze date. Undergraduate student counts include high school students dually enrolled in both high school and for-credit college courses. Full-time and part-time student attendance are defined by individual institutions.

Students may be enrolled at multiple institutions. They are included in counts for each institution at which they are enrolled.

Race/Ethnicity data are reported in alignment with National Center for Education Statistics requirements. Individuals reporting Hispanic ethnicity are always reported as Hispanic regardless of any racial category identified. Individuals identifying as non-citizens are always reported as foreign/non-resident alien regardless of any race/ethnicity identified.

Institutions report gender in four categories: "male"; "female"; "unknown, male assigned;" and "unknown, female assigned." Institutions randomly assign students who report an unknown or other gender to either the "unknown, male assigned" or "unknown, female assigned" categories. MHEC reporting includes these randomly-assigned students in the respective category to which they have been assigned by the institution.

* = In accordance with the MHEC Data Suppression policy, to protect student privacy categories with values less than ten have been suppressed.

If no students of a specific racial category were enrolled at a given segment in any fall terms of 2013-2021, the row of that race is removed for the given segment.

For questions or concerns regarding these data, please contact the MHEC Office of Research and Policy Analysis, rpa.mhec@maryland.gov.
