The enclosed three sets of tables present the community college transfer/graduation rates for the following groups:

- Full-time students in the entering class of 2003 two years after matriculation
- Full-time students in the entering class of 2002 three years after matriculation
- Full-time students in the entering class of 2001 four years after matriculation

In each set, figures are provided for all students, transfer students, and vocational/technical students, and there are breakdowns for each of these groups by race and gender.

The column headings on the tables are read as follows:

Did Not Return - Did not transfer, did not graduate and not currently enrolled at any Maryland community college

Transf - No Degree - Transferred to a Maryland public four-year campus but did not earn a community college degree or certificate

Transf - Cert - Transferred to a Maryland public four-year campus and earned a certificate (but not an associate degree) from a Maryland community college

Transf - AA - Transferred to a Maryland public four-year campus and earned an associate degree from a Maryland community college

Cert - Earned a certificate (but not an associate degree) from a Maryland community college but did not transfer to a Maryland public four-year campus

AA - Earned an associate degree from a Maryland community college but did not transfer to a Maryland public four-year campus

Retained - Still enrolled at the Maryland community college of initial entry

Other C.C. - Still enrolled at another Maryland community college
